

MY CHAP APP

MyChap App

- ◆ Mobile device app available for free download from the App Store which enables employees immediate, constant access to their assigned Care Team.
- ◆ Users simply enter their Company Location ID # one time only.
- ◆ Access includes 24/7 contact and interface with Chaplains via phone, text, email, or ability to schedule a personal appointment away from work.
- ◆ Additional resources available by category for users to browse and use exclusively through MyChap.
